

THE BEE HIVE

Hambone!
To a dear old friend?

I think. Let's D
your future history. luck in
maybe without having myself
and some other unspeakable person
in your government class you can get
a passing grade in it.

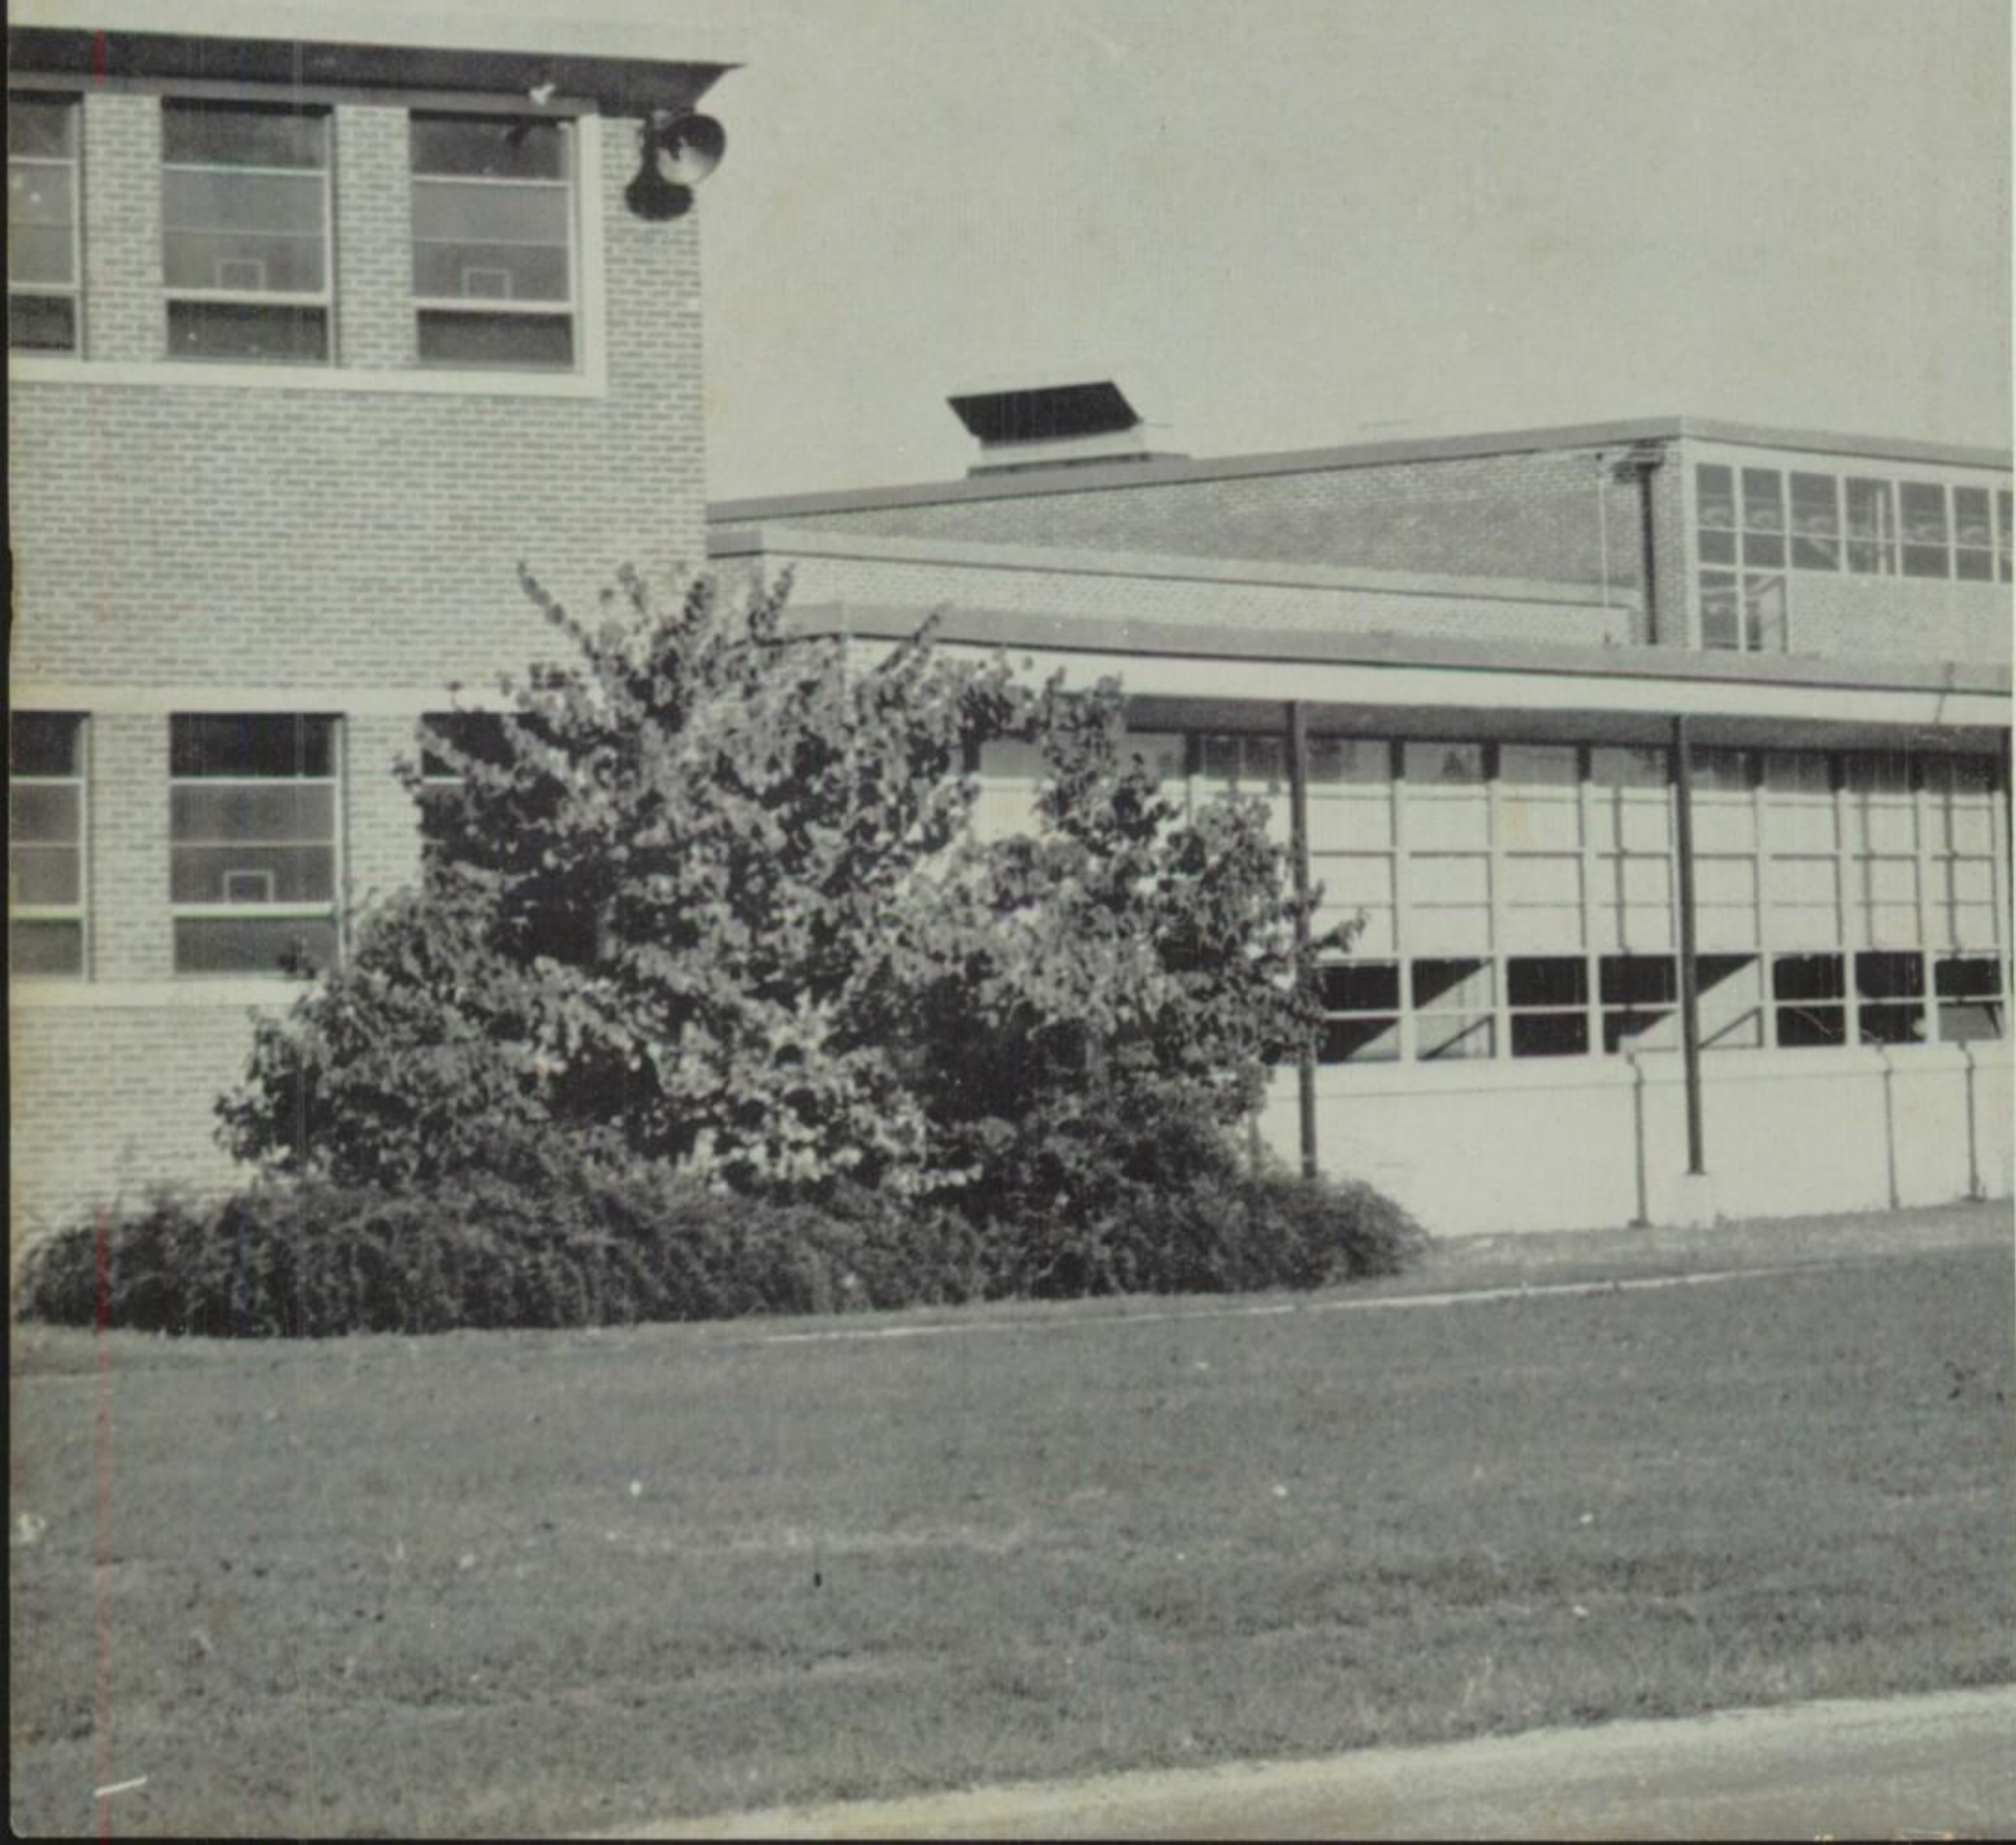

Loads of happiness

In carrying out our theme "The Seven Keys of Happiness" this picture shows a member of each of the classes at Blair and the yearbook editor working together. It is through such cooperation that our school activities, athletics, and organization are made effective. The students in the picture are as follows: Left to right, sitting: Pat Mann, eighth grade; Susan Ford, senior class; Hazel Hewlett, yearbook editor; Cathy Riley, sophomore class. Standing: Tony Ford, freshman class; Allen Lindsey, junior class; Kenny Pritchard, seventh grade.

Foreword

This year you will find that your yearbook is presented in a unique and different manner. The entire annual is centered around the theme of the SEVEN KEYS TO HAPPINESS in which every section represents one of these keys.

The first, the Key of Wisdom, symbolizes the teachers who guide our search for knowledge.

The second division stands for the Key of Hope, our classes, which are the promise of a better world.

The Key of Love and Life opens the door to our way of living at Blair.

The Key of Freedom represents democracy at work in our student government and in our activities.

The Key of Sportsmanship signifies the importance of athletics and sportsman-like conduct in our daily life.

The Key of Success, represented by the Advertisement Section, introduces the world of business.

And finally comes the most important door of all, graduation, the goal of each class, opened by the Key of the Future. This key is unadorned for you alone can create its pattern. The future is yours to make.

Bee Hive

Dedicated

to

John Stoddard

Mr. John Stoddard, supervisor of maintenance at James Blair, has been with us since 1955. His tireless service and unflagging interest in the student body and its activities have been an invaluable asset to the school.

Few people realize the amount of work that is needed to keep a school well-maintained. The building must be clean and the grounds well-kept at all times. An emergency must be dealt with quickly, whether it is a bus that won't run, or a furnace that has stopped operating.

Even with these many duties he has never failed to show a personal interest in all the students. To show our appreciation, we, the class of nineteen hundred and sixty, dedicate this yearbook to Mr. John Stoddard.

Our Alma Mater

1. Here sing we to James Blair, whose ideals guide us;

2. All through our way of life we shall remember thee,

Love, truth, and faithfulness, in all the years we share.

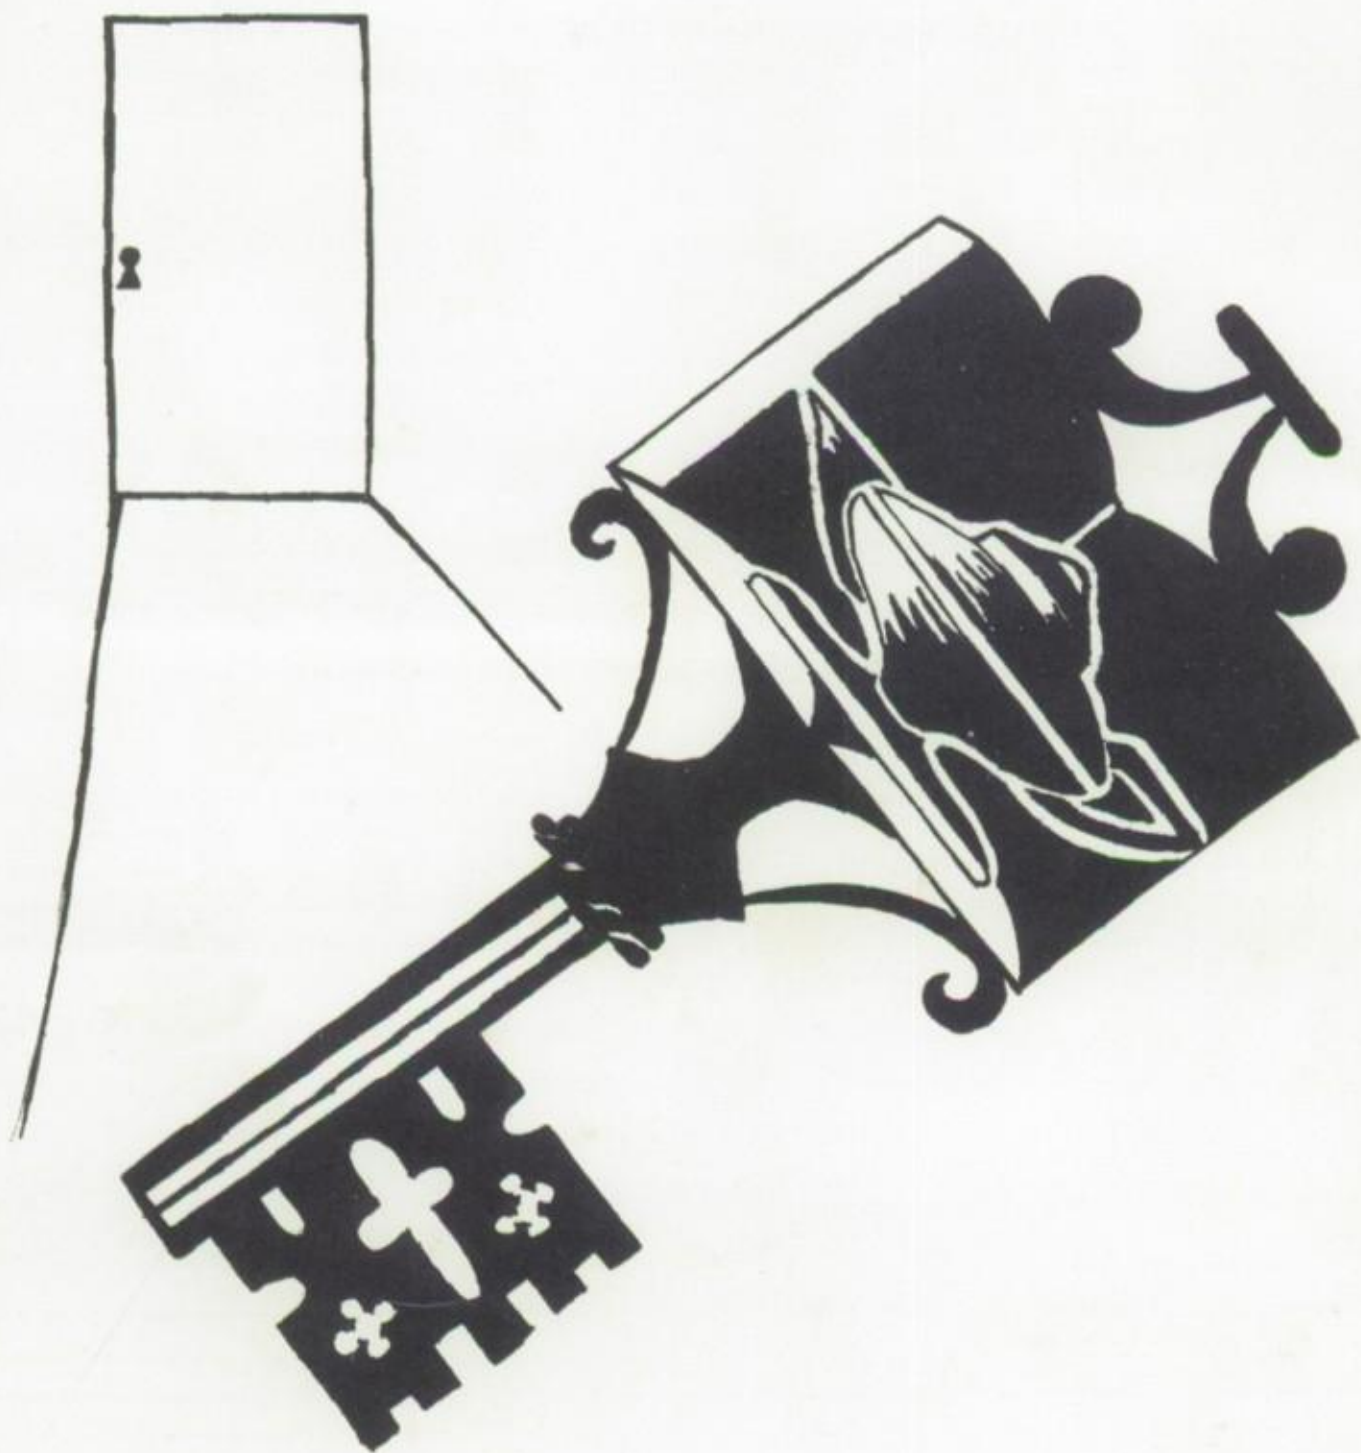

Recall the happy days we spent at James Blair High.

So we hail; the Blue, the White, the Gold.

Hail, James Blair! All ahil to thee, James Blair.

In Memoriam

Mr. Leon Cooley

The class of 1960 and the Bee Hive Staff take this opportunity to pay tribute to Mr. Leon Cooley. Mr. Cooley had long been an active member of this community and had devoted much effort to the founding of a summer recreational program for the students of the Williamsburg - James City County area. He held numerous offices in civic clubs, his last being president of the Ruritans. He was instrumental in the success of many recent projects that they undertook. James Blair owes much to Mr. Cooley for his interest in our athletic program, as he was largely responsible for the athletic field. For this untiring effort Cooley Field will stand as an everlasting memorial to him. Yes, Mr. Cooley will long be remembered in the hearts of the citizens of this community.

American Field Service

The American Field Service is an organization whose purpose is to promote world understanding and service. Each year foreign students are sent over to this country to live in American homes. The American Field Service also sends abroad American students on the summer exchange program. Juniors in high school of sixteen to seventeen years of age are eligible to apply.

This year, Karin Eek came to James Blair as a Foreign Exchange Student from Geovik, Norway. She is an enthusiastic participator in various school activities, and her fresh, vigorous character has won her many friends. Next year she will return to Norway carrying with her a better understanding of this country.

Boys' and Girls' State

Left to right: Linda Yates, Jackie Roberts, Joan Meadows.

Left to right: Leon Hughes, Mike Mitchell, David Korpi.

Each summer Girls' State and Boys' State convene on the Radford and V.P.I. campuses. There, representatives from high schools in Virginia set up miniature state governments and elect officials. The ideas gained from this experience enable the individual schools to improve their student governments.

In the July, 1959, session, Joan Meadows, Linda Yates, and Jackie Roberts went to Radford, while Leon Hughes, David Korpi, and Mike Mitchell attended the Blacksburg sessions as the representatives from James Blair.

Left to right: Jackie Roberts, Linda Yates, Joan Meadows, Mike Mitchell, Leon Hughes, David Korpi.

Student Council

In addition to their main function, guiding the Student Body, the members of the Student Council undertake many other projects during the school year: the magazine campaign, the exchange student, the Korean Orphan, Meals for Millions, and the White Christmas Drive. This year, for the first time, the S. C. A. sponsored the annual Christmas Dance. Another big project for the year was revising the Constitution.

OFFICERS: Jackie Roberts - President, Barbara Payne - Secretary, Richard Thompson - Treasurer, Wade Cheatham - Vice President.

ASSEMBLY COMMITTEE: John Macheck, Tommy Batchelder, Mrs. Batchelder, Janny Stout, Billy Abbitt, Ray Andrews, Mr. Angle.

Junior Student Council

President, Peggy Stokes
congratulated by Mr. Pitts.

Peggy takes the oath.

The Junior Student Council, composed of the seventh and eighth grades, was organized in 1955 in order to give the younger students a better chance to voice their opinions. By participating in functions of the Junior Student Council, pupils receive training for work in the Senior Student Council. The organization works closely with the Senior Student Council to bring about better understanding between the upper and lower grades.

The Monogram Club of James Blair is made up of people who have received their letters in sports activities. This is one of the most active clubs in school. During the first part of the year it sponsors a banquet for new members of the club and it is in charge of the Football Festival and the Homecoming Parade. Throughout the year it is in charge of the concession stands at the games. In the middle of the year they help to sponsor the March of Dimes. At the end of the school year the Monogram Club awards trophies to the best players in the various sports carried on by the school.

MRS. CARTER, Librarian.

Library
Assistants

James Blair is fortunate in having its fine library. It is one of the few schools in the state to possess a reference room well equipped for reading and study. Teachers may bring groups there for special instruction and research. Several groups of visitors, touring the school, have commented on the beauty and efficiency of the library.

One reason for this efficiency lies in the services of a group of volunteer workers. Trained by Mrs. Carter, they assist students in the proper use of the library and help the librarian in keeping records.

Library assistants help at the check-out desk.

**GRADUATION,
FUTURE LIFE**

It's a serious occasion!

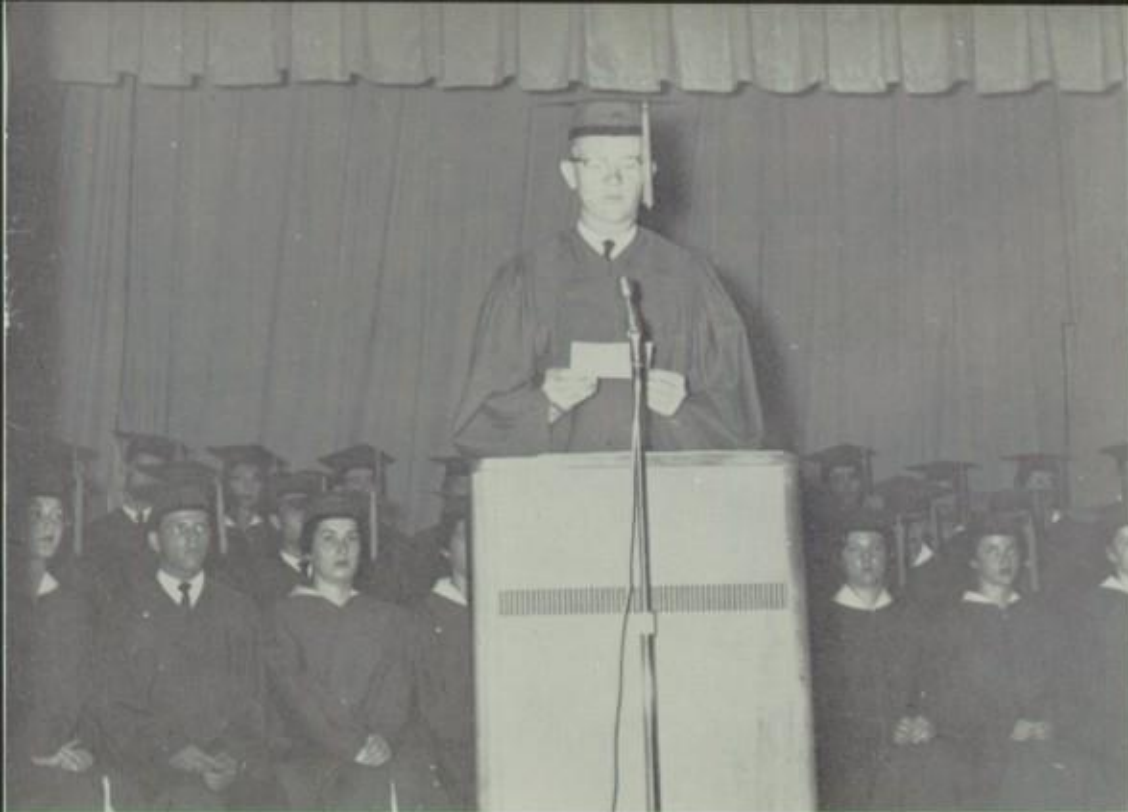

Grace Phelps gives the valedictory.

Due to the fact that the deadline for the Bee Hive comes before the class of 1960 graduates, the staff is using a picture of the graduation of the class of 1959. However, we are sure that the dignity and seriousness displayed by this class will also be shown by the class of 1960.

Mary Spencer provides a little background music.

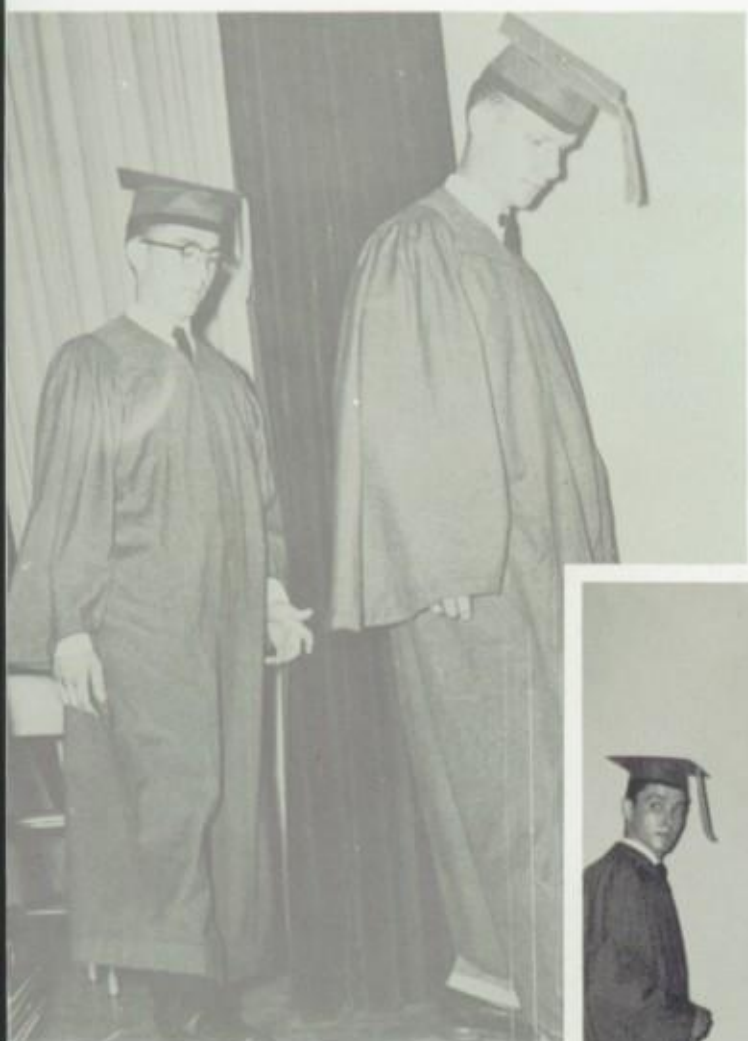

Ronnie Stewart, class treasurer,
speaks on the values of mathematics.

Joan Lee, winner of the Rockefeller scholarship for 1959,
reads the class poem.

Bill Bowry and Bob Keane
practice a graceful exit.

That final moment!

*Good Luck

of
1959*

Letter From the Editor

Hi!

As this hectic year of deadlines draws to a close, I wish to take this opportunity to thank all of you for your cooperation and help. Each of you has played an important part in making this year's annual a success. The parts vary from buying a yearbook to working on the staff, but each of them was essential.

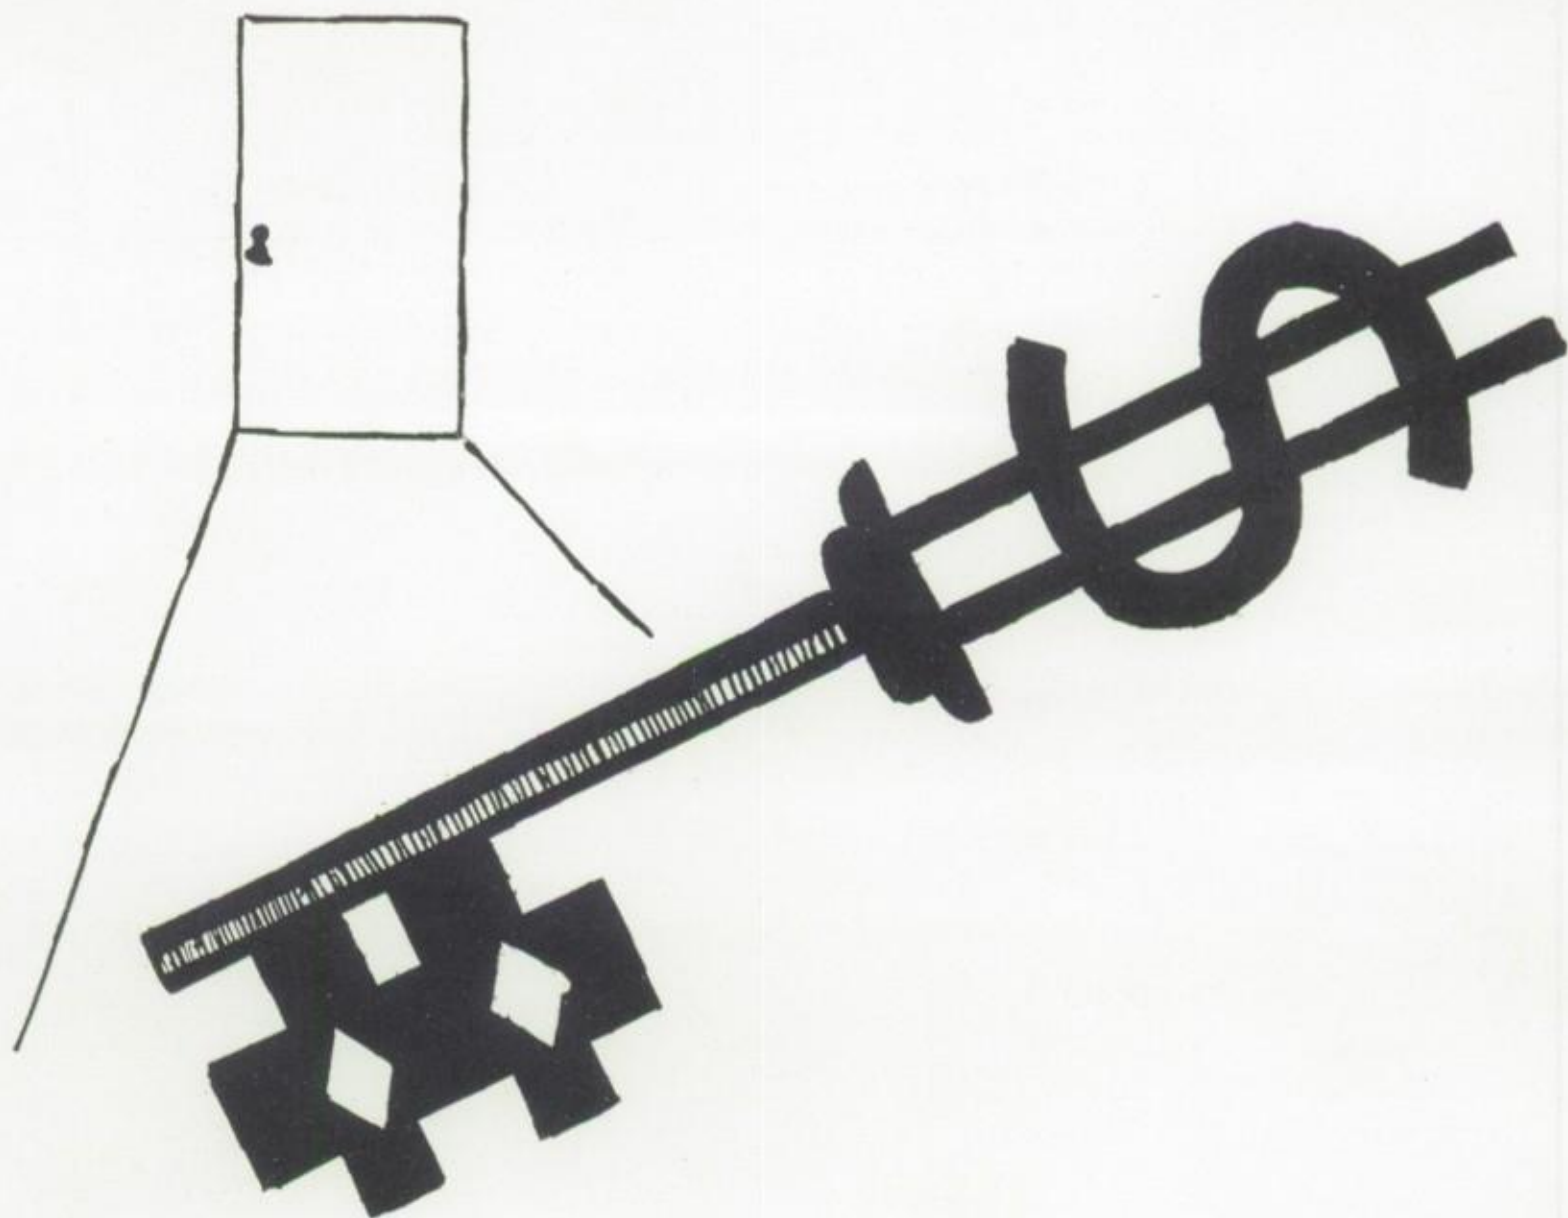

I also wish to especially thank the staff for your hard work. As you can see, you did a good job. The work was hard but seeing the yearbook completed is more than enough reward. A word of advice: remember how hard it is to meet a deadline and start early.

Mrs. Dillard and Mr. Pitts; I can never thank you enough for your patience and understanding.

Well, that's about all except good luck to you all!

A handwritten signature in cursive script that reads "Hazel Hewlett". The signature is written in dark ink and is positioned to the right of the word "all!".

Hazel Hewlett
